## Corporate Health and Safety Policy

### Commitment

Summit Reforestation understands that the strength of our company comes from our employees. Our commitment is to provide a safe work environment for all employees, contractors and visitors at all of our worksites.

### Objectives

- Take all reasonable steps to prevent work related incidents and disease through the recognition, evaluation, control, and, wherever practical, the removal of hazards.
- Promote the awareness of occupational health and safety issues and safe work practices and procedures.
- Ensure all work areas maintain effective health and safety programs.
- Maintain compliance with provincial and federal occupational health and safety legislation.
- Support employee involvement in all aspects of occupational health and safety.

### Overview of Responsibilities

Incidental loss can be controlled through good management in combination with active employee involvement. Safety is the direct responsibility of all Managers, Supervisory Staff and Employees.
